

Rock of Ages Bethel Quarry
Forest Management Plan Amendment
2019-12-18

This amendment joins the existing Rock of Ages forest management plan with the forest management plan for the adjacent property to the south; which was previously owned by Robert Smith and has been transferred to Rock of Ages. It retains the stand numbers from the original Rock of Ages plan, and stands previously on the Smith property are proceeded with the letter “s”.

By signing below, I certify that I approve of—and agree to manage my forestland according to—the existing Rock of Ages and Smith plans. I further certify that any of my forestland that is enrolled in Vermont’s Use Value Appraisal program is under active long-term forest management in accordance with the state’s minimum acceptable standards for forest management. These standards include following Acceptable Management Practices to maintain water quality on logging operations.
